

Hello Wolf,

Your next case could be your biggest career move.

Financial Open and Happening Marketing applications are finally open.

Case competitions are more than a line on your CV. They're a chance to sharpen your skills, present in front of industry professionals, build your network, and prove what you can do under pressure.

Elevate your resume, sharpen your skills.

JMCC WORLDWIDE 🌐

Our international delegates are officially on the move! This month, our delegates will be heading to **Tucson, Arizona** and **Bangkok, Thailand**.

Wishing all our delegates the best of luck and as always, follow **@jmcc_worldwide** to keep up with our delegates around the world!

FALL NETWORKING COCKTAIL RECAP

A huge thank you to everyone who joined us for our first event of the year! From our incredible sponsors and industry professionals to all the students who came out, we're so grateful for everyone who helped make the evening such a great start to the year.

 Relive the evening

A WORD FROM OUR EXECUTIVE TEAM

We're proud to officially launch the **JMCC Alumni Network on LinkedIn**: a space built to reconnect generations of the Wolfpack and strengthen our community beyond competition.

JMCC is a network that lasts far beyond your time as a delegate. We're excited to bring our alumni together, celebrate where they are today, and create new opportunities to connect with the next generation of JMCC.
